Our Core Values

Our core values are **caring, honesty, respect** and **responsibility**. We award certificates to children who demonstrate these values at camp. Offering children and young people fun, inspiring and healthy activity is part of our heritage – we've been doing it for over 150 years.

Campers who spend the full week with us will receive a group photo signed by their leader towards the end of their week at camp as a keep sake to say thank you for being so awesome at camp.

Leaving Camp Williams

We won't let any child leave without a designated adult. If someone else is picking up your child from site or from your chosen bus stop, please make sure:

- You have filled out a designated person for pick up form. This was on the booking form but please ring 0115 711 7006 if you are unsure.**
- You let the Site Manager know on the day.**
- The designated adult has your collection password.**
- Your child knows who is going to be picking them up.**

If you would like your older child(ren) to make their own way home and from the bus stops, we'll need your written permission before camp starts. You can send this to ymcadaycamps@nottsymca.org and we'll let you know that we have received it.

Parent/Carer pick up

Pick up is between 17:00-18:00

If you are going to be late please let us know by calling your camp's site number. We reserve the right to charge £5 followed by £5 for every 5 minutes that you are late. We discourage appointments and early collection as it disrupts the day for both your child and other children at Camp. If you need to collect your child early or have scheduled an appointment, please let us know during morning sign-in / registration.

Keeping healthy & safe

The health and safety of every child is our primary concern at all times. By following our guidelines on medication and illness you can help keep our camps safe for everyone.

Medical authorisation

We need your permission before we can administer your child with any medication. This must have been prescribed by their doctor, dentist or nurse. You will need to complete a medication administration form on the first day your child attends the camp.

Children and staff are vulnerable to infection so we advise that any child who is ill or has been prescribed with antibiotics shouldn't attend our day camp for at least 48hrs, as they may still be infectious or require a higher level of care.

We can only administer medication if it is in its original container with the following information:

- Child's name
- Date of prescription
- Prescription's expiry date
- Name of pharmacist
- Correct dosage instruction

Illness, accidents and emergencies

Please don't bring your child to camp if they are not feeling well. Call us to let us know on your camp's site number. Although our staff are first aid trained we do not have a nurse on site or the accommodation for ill children.

In the event of an accident or sudden illness, the club staff are equipped with the training and supplies to administer first aid. If the situation warrants further attention, emergency services will be contacted. You will be notified, by phone, if any injury or illness requires medical attention or if your child needs to be picked up. If we can't contact you, the emergency contact person that you have indicated will be notified.

COVID-19

We adhere closely to the latest government guidelines at all times. Our team support children to stay safe, with regular cleaning and handwashing. For the latest information, please visit our website.

Please do not bring your child if they are displaying symptoms of COVID-19.

Everyone should have a fair chance to discover who they are and what they can become.
